

# CERTIFICATE FI 25448 A1

Our Ref. 258021

**Product** Shuttered socket-outlet

**Type** 101414, 101443-02, 101443, 101414-02

**Trade mark** LEXEL

**Certificate Holder** Schneider Electric Industries SAS  
35 rue Joseph Monier, 92506 RUIEL-MALMAISON, FRANCE

**Manufacturer** Schneider Electric Industries SAS  
35 rue Joseph Monier, 92506 RUIEL-MALMAISON, FRANCE

**Technical information** 16A, 250V~, IP20, IP21 and IP44

**Other information** Standard sheet CEE 7 / III and CEE 7 / I and CEE 7 / V, Flush-type two fold, Surface type two fold and four fold. With shutters. Screw or screwless terminals. All colours. The design of the socket-outlet with base type 101414-02 and 101443-02 is consisting of plastic threads in socket for connecting cover to socket base. The design of the socket-outlet with base type 101414 and 101443 is consisting of metal threads in socket for connecting cover to socket base.

**The product is certified according to the following standard(s)** IEC 60884-1:2002 (Ed 3) + A1:2006  
SFS 5610:2004 + A1:2008

**Validity** This certificate is valid until 30 November 2014 unless the standard in question has been amended or superseded with significant changes in requirements, in which case, SGS Fimko has the right to shorten the validity of the certificate based on the legislation of the European Union. This certificate includes the right to use the FI mark under the condition that changes (if any) will be checked at SGS Fimko before the product is brought onto market and that the conditions for FI certification are met.

**Date of issue** 24 March 2010

**SGS Fimko Ltd**

**Signature**

Osmo Väyrynen  
Certification Manager

This certificate has 2 appendixes

This certificate is issued by the company under its General Conditions for Certification Services accessible at [www.sgs.com/terms\\_and\\_conditions.htm](http://www.sgs.com/terms_and_conditions.htm). Attention is drawn to the limitations of liability defined therein and in the Test Report here above mentioned which findings are reflected in this certificate. Any unauthorized alteration, forgery or falsification of the content or appearance of this document is unlawful and offenders may be prosecuted to the fullest extent of the law.

Appendix 1 to Certificate: 25448 A1

Manufacturing sites

Strömfors Electric Oy  
Ahlströmintie 1, 07970 RUOTSINPYHTÄÄ, FINLAND

Additional information

The product has certificate 1009404 issued by Intertek Semko AB in accordance with the Nordic Certification Service system.

\* = Socket types

Flush types	
1	Metallic "Standard"
2	Composite "Standard"
3	Composite "Renova"
4	Metallic "Diagonal"
5	Metallic "Full-Flush"
Surface types	
1	2-way with backplate
2	2-way without backplate
3	4-way composition

\*\*= (Earth-type):

U	Without earth contact
S	With side-earth contact
F	With pin-earth contact
C	With pin earth contact (CZ)

\*\*\*=Changeable frames

101549 may be exchanged by metal plate or glass plate
Outer frame consisting of backframe of plastic, and a plate of plastic, metal or glass

Flush-type socket-outlet types 1, 2 and 4 and surface-type socket-outlet types 1, 2 and 3 comply with the requirement for unintentional contact with test finger to current-carrying parts according to EN 60529 (IPX0B)

This certificate replaces previous certificate FI 25448 dated 30 November 2009 because of added version Robust DSO with screw terminals.
